

Dear Parent/s,

The bus schedule for the 2009/10 school year is as follows. The times are as close as we could get them without actually running the routes with the children and may change, plus or minus, a few minutes. Please be patient as we try to service as many families as possible. **Students who are riding in the morning should be at their stop 5 minutes prior to the scheduled time.**

Thank you, Susie Thomas
