 Green Beans by Connor McDearmon

Month Harvest
Green Beans by
Connor
McDearmon

“My favorite item on the salad bar is ham, because it’s chewy and a little bit like bacon.”

“I stay healthy by eating lots of peppers and playing outside.”

“If I were a farmer, I would grow bananas, because they taste great and I could make banana pudding!”

This symbol will represent the harvest of the month. This month’s harvest is Green Beans and will be offered every day.

All meals come with salad bar, veggie, fruit sides and cold milk.

We will be practicing Meatless Mondays. Meats are whole-muscle and local when available.

Baked potatoes and salad bar are available each day.
