The faculty and staff of Ascension School welcome parents or other volunteers to participate in volunteer activities. We encourage anyone who has the time available to join us in our efforts to provide the best possible education for the students of Ascension School. For the volunteer jobs below that require regular contact with the children in the school, you will need to attend a Safe Environment Training and have a background check. For a training schedule, go to www.archlou.org and go to Departments & Services. Follow the link, Restoring Trust and there will be a schedule under Safe Environment. We appreciate your help to keep our school safe.
