## Family Corner

### Faith Focus

Going once...going twice... SOLD! Imagine that you just sold all of your belongings. Why would you want to do that? It must mean you had found something worth more to you than all your possessions. It would have to bring you as much joy as the treasure and the pearl brought the people in today's Gospel story. Jesus compared each situation to the reign of God. Is there any measure for the joy of that treasure?

### Family Activity

Ask each family member to show one of their most prized possessions and tell how it brings them joy. Equally divide some play money from a board game and have an "auction" with the items to see if you can put a monetary value on your possessions.

- Is it easy or difficult to part with your prized possession? Explain your answer.
- Are some things worth more than money or material wealth? If so, what are they?
