

Fold in half, crease, and fold back again along same fold.

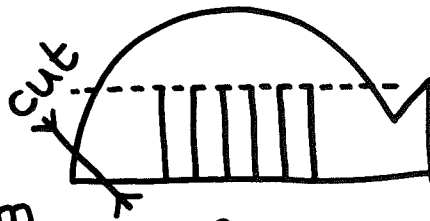

Glue on strips of paper and foil.

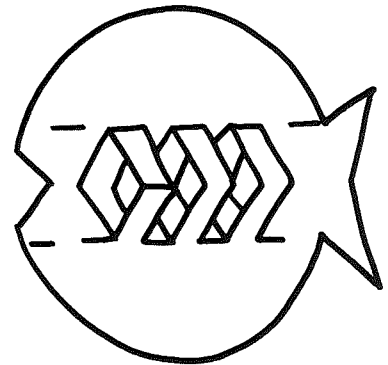

Fold again. Draw a fish shape and cut out.

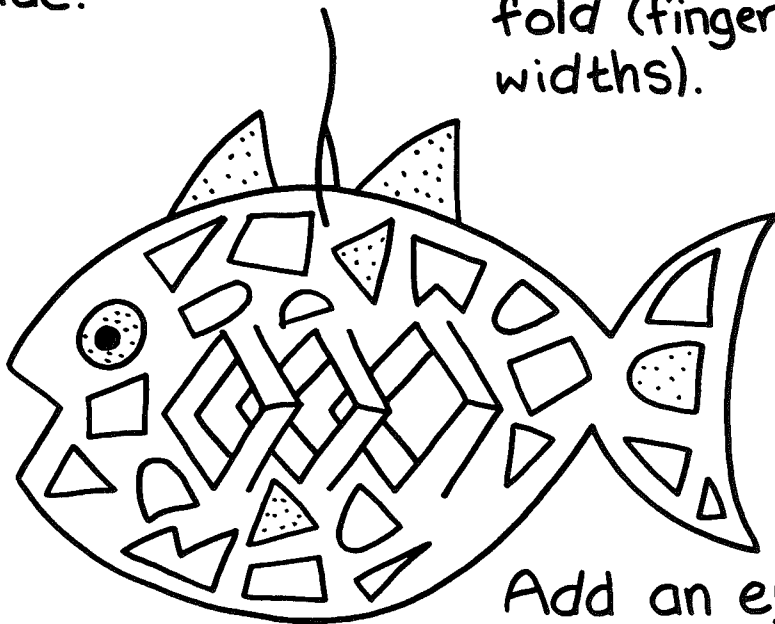

Fold top of fish to bottom fold and crease. Repeat on other side.

Unfold top of fish. Cut up to the fold (finger widths).

Open the fish. Hold the head and pull the first strip towards you. Pinch in the middle. Pull out alternate strips and pinch in the same way.

Add an eye and scales made with glitter to complete your fish.
