

iPad Responsible Use Policy

The iPad, case and charging cord issued to the student are property of Ascension and any damage or loss to the case, charging cord or iPad are the sole responsibility of the student/parent: if the damage to case or loss of the charger or iPad is NOT covered by warranty, the student/parent is responsible for full cost to replace or repair. The iPad and its accessories are on loan to the student and must be used in accordance with the iPad Responsible Use Policy, the school's Acceptable Use Policy and any applicable laws—both at home and at school.
