## Family Corner

### Faith Focus

Today's readings teach us the responsibility to love God, neighbor, and self. The prophet Ezekiel warns the people about their behavior. Saint Paul calls the community to be faithful to the law that says that we must take responsibility for our brothers and sisters. In the Gospel, Jesus stresses that we must forgive others in love and bring them back to the community. We are called to do the works of kindness and love.

### Family Activity

Work together and make a list of people your family knows who are in need of a pick-me-up. Do something special for one or two of these people. Suggestions could include baking a special treat for someone or inviting someone to watch a movie or take a ride to a favorite ice cream store with your family. Let the children decide what it will be. Whatever it is, do it with a spirit of love.
