**Mission:** As a vital ministry of the Church of the Ascension, our school's mission is to recognize the uniqueness of all students in a caring, disciplined environment that exemplifies Christ's command to serve one another. Ascension School fosters excellence in academics and promotes spiritual, intellectual, emotional, and physical growth of the whole child. The faculty, supported by the parish staff, School Board, and Parent Teacher Organization (PTO), recognizes that students must be prepared to meet challenges of an ever changing world and to live cooperatively as critical thinkers and problem solvers in a global society. Love of GOD, human dignity, justice, ecumenism, service to others, stewardship, and excellence are among the values lived.
