**Middle School Summer Reading Due: First Day of School**

For your nonfiction book, you will need to complete the “Book Report for a Nonfiction Informational Book” form attached to this assignment. If you need more room for your answers than the lines on the form to allow, you may write your answers on a separate piece of looseleaf paper or type and print them out and then staple your answers to the book report form.

For your fiction book/books, you will need to complete the “Fiction Book Report” form attached to this assignment. Like with the nonfiction book report form, if you need more space for your answers, you may write them on looseleaf or type them and print them out.

Both book report forms will need to be with you and ready to be turned in at the start of the first class we have together on the first day of school. You should also be ready to tell your classmates about the books you chose, why you chose them, and what you learned from reading them.
