# SECOND GRADE SUMMER READING

Can you believe summer is here? As vacations are starting, I wanted to provide a list of books that are perfect for summer reading. We encourage your children to read these books along with any other books their heart desires. Most importantly, we want your children to love to read and do it for fun! Here is the reading log they will utilize to keep record of their summer reading gains. They can turn this in on the first day of school. They need to read and log 20 books this summer. This will be their first grade of the year!

FUN TIPS FOR SUMMER READING:

1. Read anywhere and everywhere! Use this bingo game to have extra fun.
2. Make it fun and special! Read chapter books together as family.
3. Keep books all around the house.
4. Help your child create their very own library.
5. Read a wide variety of books.
6. Read to your child and also have them read to you.
7. Encourage your child to write about the books that they read (letters to the author, different endings, etc).
8. Act out the stories in the form of reader's theater!
9. Write short stories for your child and have them read them aloud to you.
10. Play educational games together!

Summer Reading with Epic!

We highly encourage your child to read these books on Epic over the summer:

- [Hey, That's My Monster!](#) by Howard McWilliam
- [Creature Campers](#) by Joe McGee
