

Stewardship 2026-2027

www.ascension-parish.com | 502-451-3860

SERVICE WITH A PURPOSE

Stewardship within the parish is an expression of our faith and an opportunity to deepen our relationship with God. As the Church teaches, *"The parish offers an outstanding example of the apostolate on the community level, inasmuch as it brings together the many human differences found within its boundaries and draws them into the universality of the Church"*¹. This highlights how our diverse community, with each member's unique gifts, contributes to the parish life.

1 Peter 4:10 reminds us, *"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms."* This call to stewardship encourages reflection on our personal gifts and how we can best serve with them. Engaging in activities that bring us joy enhances fulfillment and strengthens our connection with God and other Ascension parishioners. For example, an accountant might naturally consider joining the finance council. However, they might find greater fulfillment in a ministry that aligns with their interests rather than their skillset. This not only enriches our own spiritual journey, but becomes palpable to those around us. Other considerations might be whether we notice a specific need that isn't tended to or an area that we'd like to see improved based on our own experience.

As you (and your family) review our list of volunteer opportunities, consider how each member's unique gifts and interests can contribute to our parish life, ensuring that everyone benefits from a fulfilling and enriching experience.

— PRACTICAL TIPS FOR FORMING CHILDREN —

- **Start Early:** Children begin to form attitudes about sharing and giving between the ages of 6 and 10. Encourage gratitude and generosity by distinguishing between wants and needs, and involving children in family service activities.
- **Highlight God's Gifts:** Discuss each child's unique gifts and their benefits to others. Have them create posters or journal to reinforce this understanding.
- **Create Traditions:** Establish family service projects or ministries that involve giving back to the community. Consider signing up as a family for a parish ministry to model and practice stewardship together, thereby integrating these values into your daily life.
- **Teach through Stories:** Use the lives of others to illustrate stewardship virtues, and explore Ascension's history to share its development.
 - **Model Parishioners:** Identify and discuss community members who exemplify good character and virtue. Highlight their contributions and the impact they have made, showing how to practice stewardship in everyday life.
 - **Model Saints:** St. Ignatius of Loyola, St. Elizabeth Ann Seton, St. Pope John XXIII, St. Teresa of Calcutta, St. John Vianney, St. Frances Xavier Cabrini, St. Benedict, St. Margaret of Scotland, St. Dominic, St. Elizabeth of Hungary, St. Lawrence, etc.
